Men's and Women's Bible Study Groups

We are so extremely grateful to be able to watch and be a part of what Christ is doing in Corquín. One of the many areas that we are seeing growth is in our men's Saturday and women's Tuesday night Bible study groups.

Several of the Christian men have asked to be a part of the planning and teaching of the men's group. What a blessing it is to see the growth of maturity and desire to take an active role in what is happening. Not only that, but they continue to invite their friends, co-workers, and family to activities and studies.

The women's group is also growing and maturing. We regularly have twenty to twenty-five women on Tuesday nights. They are also inviting their friends and family to be a part of our studies. Several new individuals have also volunteered to help out in the children's classes as well.

There is still a lot more growth that needs to happen as these men and women grow in their faith and knowledge of our Lord Jesus Christ. Please pray for the people of Corquín. Pray that God continues to raise up leaders. Pray for unity in the church and for our love to grow and be evident to everyone.

Potrerrillos, Corquín

August 2019

Potrerrillos is officially an area of Corquín, but it can take up to 25 minutes to get there, depending on the condition of the road. This area is located on one of the hills that surrounds the main part of Corquín. We have been going up there to visit and study with people every Saturday for about a year. There are several Christians there and they are inviting their friends to our studies. We are now facing a “great” problem. There is no more room in our vehicles to bring down more people. They have out-grown the 15-seater van as well as the back of the truck. (People travel here standing up in the back of trucks holding onto handrails). One of the Christian men recently said, “I’ve had to stop inviting people because there is no more room to bring them!”

In light of this, we are praying and making plans to plant a church in that area and are currently looking for a place where we can meet. Our current plan will be to bring a few members from the Corquín church with us and meet in Potrerillos on Sunday mornings and be back in town for our afternoon service. We will continue bringing down people from Potrerillos for the men’s and woman’s studies as they can fit when they are divided up into groups.

Landon Anderson, a young man who spends seven months of the year here working with us, is heavily involved in this work and will be spending most of his afternoons in Potrerillos visiting and studying with individuals there. Please keep us, Landon, and this new work in your prayers.

The photo on the right is of the Potrerillos group at our house. Last Sunday we had them stay after services to spend time together. We made pizzas, played, visited, and had a wonderful time. Somehow thirty of us sat around our four tables!
